**TUESDAY,
SEPTEMBER 26TH**

**STARTS AT
3:30 PM**

**INDEPENDENT
ADULT DAY
CENTER**

8755 Guion Rd.
Indianapolis, IN 46268

Join Becky and Bob Barton as they share how their lives have changed since Becky's diagnosis in 2020.

Their story will help us as we strive to understand and assist our family members and friends as they learn to live with this condition. Joining them will be Holly Hess from CICOA Aging & In-Home Solutions and Me-Me Pruitt from the Alzheimer's Association, sharing what their organizations are doing to help folks like Bob and Becky.

Sarah Davis of Independent Adult Day Centers will share how their services support those living with Dementia and their caregivers.
